New Business

Omnium (Don, Sherry): Primes have been donated by Coyote Café and Fifth and Hawthorn, and by Jim Cushing-Murray (water bottle cages). USCF has issued insurance for the event. Thirty entries have been received so far, along with 5 entries from hand cyclists. Vittorio noted that volunteers are still needed for the criterium, including someone to man the wheel pit. Concerning hand cyclists, Dale said that they (hand cyclists) would calculate omnium points for that group. Hand cyclists will be required to purchase one-day USCF licenses so that they will be covered by USCF insurance. Hand cyclists will receive stage medals and omnium prizes.

There was additional discussion about whether hand cyclists could join Cyclo-Vets and have their own rides with information posted on the web site. The consensus view was that there was no reason why the hand cyclists couldn't be regular members of Cyclo-Vets.

MasterLink: The next issue will be out after the Omnium.

Web Site: Updated with new information concerning the omnium, links to Arnie's web site to be added.

The next meeting will be 7/16/02
