

2011 RACE POINTS
Directions for Race Points Reimbursement

Race Points for 2011 will be calculated for races from September 30, 2010 through September 30, 2011, inclusive.

All Race Points tally sheets must be RECEIVED by OCTOBER 15, 2011.
NO LATE SUBMISSIONS WILL BE ACCEPTED FOR CONSIDERATION.

In order to qualify for race-points reimbursement:

- You must specify Cyclo-Vets as your club designation if you hold a bicycle-racing license.
- You must wear a current Cyclo-Vets club jersey or skinsuit in each event. (National and state champions may substitute the corresponding award jersey.)
- Points will be awarded on all USCF or other sanctioned competitions as approved by the Cyclo-Vets Board, and for approved Cyclo-Vets Intra-Club races.
- Some events (as determined by the Board) will be awarded travel money in addition to points.
- Some events (such as State or National championships) are awarded a higher point value. (Contact race points chair for a list.)
- In order to receive points for a race you must start the race. (You need not medal or finish the race.)
- Any member participating in the Race-Points reimbursement program must actively contribute to the Club in some manner.*

*Members may actively contribute to the club by volunteering at a club race, meeting or event, by chairing a club committee, or by leading or helping with development clinics or rides.

*Members who live out of town may fulfill the volunteer requirement by contributing an article to the club Web pages.

Send your tally sheets to the race points chair:

rcarter8@san.rr.com
